

The diagram consists of two identical horizontal sections. Each section features a 4x16 grid of small rectangles. On the left side of the grid, there is a warning triangle (a triangle with an exclamation mark inside) and two empty rectangles. To the right of the grid, there is a black triangle pointing to the left. The grid is composed of 64 small rectangles arranged in 4 rows and 16 columns. The warning triangle and the two empty rectangles are positioned to the left of the first column of the grid. The black triangle is positioned to the right of the grid, pointing towards the first column.

A diagram illustrating the cleaning process. A brush is shown moving across a surface, with arrows indicating the direction of movement. A grid of cells is shown below the brush, with arrows indicating the direction of movement and the cleaning path.

A line drawing of a vacuum cleaner attachment, specifically a crevice tool. It consists of a long, cylindrical handle with a textured grip section, connected to a flat, rectangular head. The head has a narrow slot in the center for suction. The drawing is shown from a three-quarter perspective.
